## *Monthly Bulletin of August 2020*

### **Background about SONSA**

**Somalia Non-State Actors (SONSA)** previously known as Somalia South Central Non-State Actors (SOSCENSA) is a multi-sectoral platform with membership of networks and umbrella organizations which include NGOs, CBOs, professional organizations (teachers, doctors, lawyers etc), universities and private education associations among others from across Somalia.

Our determination is to see Somalia, on the path to economic, social and political stability through good governance through the participation of those affected; civil society, government and businesses. Actually, SONSA aspires for political stability, development and national unity for Somalia.

SONSA'S goal is to ensure that views and priorities of Somalia non-state actors, business communities and professional organizations are involved in policy formulation and development.

With the support and partnership of the European Union under the Cotonou **Partnership Agreement** of the Africa, Caribbean, Pacific and Africa (ACP) countries, SONSA previously know SOSCENSA was initiated in 2008. The organization is located around Km4 from the central point of Mogadishu and near Hormuud Km4 branch Office
